PARTY AT NORMAL

HALLOWE'EN PARTY POSTPONED TO FRIDAY MORNING.

A MARSHMALLOW ROAST

A Bonfire, a Gymnasium Exhibition and Various Other Interesting Features on Program.

The Hallowe'en party which was to have been given at the Normal Thursday evening was postponed until Friday morning on account of the condition of the weather. However, the postponement in no way lessened the interest of the stunts, which were opened up at 10 o'clock with a circus and closed shortly before noon with a big bonfire and marshmallow roast on the campus north of the building.

Probably the most interesting part of the program was an exhibition by the men's gymnasium class.

Prof. L. M. Eek drilled the men, and the professor, as well as the men, deserve a lot of credit for their excellent showing.

John McDougal and "Casey" Jones, who did the "Hiran and Mandy" stunt of the big circuses, certainly made a big hit.

School was dismussed at noon for the rest of the day on account of the heating plant being disabled.

SCHOOL DOING FINE.

Parnell has one of the most beautiful and well arranged school buildings in the county. The new building was constructed this summer and school opened October 1. There are 140 pupils and the equipment is good. They have a fine big library.

Over 1,000 visitors have called to see the building during the past month. J. P. Cummings is superintendent of the school.

Mrs. Mozingo's son and his wife, Mr. and Mrs. Edward Mozingo of Los Angeles, Cal., arrived Wednesday to visit her, owing to her severe illness.

If you favor the nine constitutional amendments, which will be on a separate ballot from the tickets, scratch the word "no" and leave unscratched the word "yes." The "yes" and "no" are printed on the amendment ballot to the left of each amendment. If you are against the amendments scratch the word "yes."

Mrs. Mary Edmonston went to Pickering Thursday to visit her father, A. E. Crouse.

The election ballots and the constitutional amendment ballots are being sent out over the county today by Sheriff Tilson and his deputies for the election next Tuesday. THE PARCELS POST

POSTMASTER BEECH GETS NOTICE FROM DEPARTMENT.

WILL BE EFFECTIVE JAN. 1

A Map Showing Zones Will Be Furnished and Full Instructions Will Come Later.

Postmaster S. R. Beech today received formal notice from the postoffice department that the parcels post law will be effective January 1, next, and was directed to make preparation toward installing the system here. A map is to be furnished each postmaster, which will indicate the units of area adjacent to their offices and will show the eight postal zones, to indicate the rates upon parcels. New scales will be provided as will be tape lines for measuring packages offered for mailing. Stamps for especial use in mailing parcels will be furnished.

The attention of the postmaster is called to the following regulations: Distinctive parcels post stamps must be used on all fourth-class mail matter after the parcels post law goes into effect, and matter not bearing these stamps will be "held for postage;" parcels must be mailable only at postoffice, branch offices, lettered or local numbered stations, and such other stations as may be designated by the postmaster. All parcels must bear the return card of the sender, otherwise they will not be accepted.

"This is the first formal notice of the parcels post we have had," said Mr. Beech, "and it probably will be followed up with detailed instructions, such as making necessary changes about the postoffice and the like. While the changes are not expected to be extensive, the department desires that everything be in readiness before January 1, so that no hitch may occur when the law goes into effect."

Senator Peck Was Here.

READ THIS CAREFULLY SO YOU WILL BE SURE TO VOTE RIGHT

You must vote on one ballot for candidates for office.

Another ballot will be used for amendments to the state constitution.

Six ballots containing the names of the candidates of the six parties and one containing the amendments to the state constitution will be handed to each voter.

If you desire to vote against any candidate on your party ticket draw a line horizontally through his name and insert the name of the candidate on the rival ticket you desire to vote for.

If you want to vote for Wilson and the Republican state and county tickets either use a Democratic ballot and write in the names of all the state and county candidates you desire tovote for, or take a Republican ballot and write in the names of the eighteen electors in the order in which they appear on the Democratic ballot. In any event, be sure to use only one ballot.

Under no circumstances will the judges accept part of one ballot from one party and the other part from another party on two ballots; neither will a voter be permitted to tear off part of one ballot and paste it onto another.

ONLY A DAY OR TWO MORE

To Get Your Campaign Contribution in and Help the Great Cause.

Mayor A. S. Robey adds a fiver to the Wilson campaign fund today, and thus the great cause moves forward. In the two or three days left let everybody drop in something and show his willingness to help the people to rule.

In this campaign the issues lie between the forces of representative government and popular government.

In representative government only a part of the people have influence—those with no political faith, who spend fortunes in any direction where their own ends are furthered for money.

In popular government all the people have influence, because their executives and legislators do not dare to thwart the expressed will of the people.

Representative government, as ever, this year is being supported by the money of Wall street. It is being spent lavishly to give the voters a wrong impression of Wilson.

Wilson stands for popular government. Let's all pull together for the rule of the people and end the rule of the trusts. Who will be the next to send us something?

THE DEMOCRAT-FORUM WILL GIVE THE RESULTS OF ELECTION

TO BE FREE TO EVERYBODY

If You Want to Be Informed Join the Crowd and Visit Democrat-Forum Headquarters.

Arrangements are being made by The Democrat-Forum for the best and most complete election returns ever received in this city, on Tuesday night. The returns will be from the county, state and nation. The Western Union telegraph service will be used for the national and state returns, while for the county the telephones will be used.

This paper has secured the circuit court room for that evening, and the bulletins will be kept up to the minute there. There will also be a large blackboard in that room with the names of the candidates, and as the precinct vote is given from the county it will be put on the blackboard so all can see it. The bulletins will be read off and will also be kept on file so the late comers may see all that may be received.

An invitation is extended to everyone interested in the approaching election to attend and watch the returns. The court room has many seats and will be able to accommodate a large crowd. The heat will also be turned on if it is a cold evening.

Wilfley, S. H. Kemp, W. W. Jones and Ben Chandler.

TO HAVE CLEARER WATER.

Hydrants Have Been Flushed and Water Being Treated so It Will Change in Few Days.

G. B. Roseberry, manager of the water company, said Friday that the water will change and will be clearer. The hydrants have been flushed and the water is now being treated. The water might be a little yellow for a time, but it will change to a clearer color, stated Mr. Roseberry.

The muddy water is due to the river being muddy, and then Mr. Roseberry says that the treatment was not working, as a little pump got out of order. The pump is now fixed.

The funeral services for the late C. Conrad, whose body was brought here from Holdenville, Okla., by his son, F. C. Mrs. Custer's Hallowe'en.

Mrs. George Custer issued invitations for a Hallowe'en party at her home, at 210 South Mulberry street, but she was hardly prepared to receive the strange looking company that came in response, and it came very near being necessary for them to furnish credentials to gain admittance to the party, because it did not at first seem that the funny spirits were out for their annual frolic, for they had every appearance of evil spirits on evil errand bent. A delightful evening was spent in singing songs, music by the Gaugh orchestra and several piano numbers by Mrs. Eugenie Schenck. The hostess served cider, apples, pears, cake and nuts. Mr. and Mrs. Milligan were awarded a prize on general principles. The other guests were Mrs. Eunice Graves, Mrs. Amanda Lewis, Mrs. Eugenie Schenck, Mrs. I. W. Nixon, Mrs. Cooper Gooden, Mrs. J. H. Mrs. Roy Wolfers' Party.

The Hopkins P. E. O. chapter was the guest of Mrs. Roy Wolfers of Pickering at a Hallowe'en party Thursday afternoon. Mrs. Wolfers was assisted in entertaining and serving her guests by four Hopkins ladies, Mrs. Charles Donlin, Mrs. Fred Monroe, Mrs. Arthur McMaster and Mrs. H. J. Lindsay. The parlors of the handsome Wolfers home had been beautified by the use of autumn leaves and berries. One new member was initiated, Mrs. Fred Wooldridge of Hopkins, and a miscellaneous shower was given Mrs. Mary Martin Downer, the most recent bride in the chapter. The guests came from Hopkins in cars, arriving at 2 o'clock, and returned home on the 9 o'clock Burlington train. After the chapter work was over a delightful program of music was given by Miss Lou Hughes, Mrs. Roy Wolfers and Mrs. Arthur McMaster. The hostess then invited the company to the attic, where the shower for the bride took place. The attic had been in the hands of the wood witches and was a charming sight, jack-o'lanterns making the only light. The shower was presented by a witch and a ghost, and consisted of pieces of cut glass, china, linen and other beautiful things that delighted the recipient. At 6 oclock an elaborate Hallowe'en luncheon in two courses was served. The guests aside from the members of the P. E. O. chapter were Mrs. Howard Wray and Miss Mary Wolfers of Pickering, Mrs. Mary Wray, Messrs. Arthur McMaster, E. C. Wolfers, Fred Monroe and "Deason" Moorehouse of the Hopkins Journal.

CLEANSE YOUR LIVER AND BOWELS WITH DELICIOUS "SYRUP OF FIGS"

REMOVES THE SOUR BILE, GASES AND CLOGGED-UP WASTE WITHOUT GRIPE OR NAUSEA—NO HEADACHE, INDIGESTION, CONSTIPATION, BILIOUSNESS OR COATED TONGUE.

Foul breath, coated tongue, dull, throbbing headache, stomach sour and full of gases, indigestion, biliousness and a sallow complexion, mean that your thirty feet of bowels are clogged with waste matter; that these drainage organs of the body are obstructed; liver stagnant and stomach full of poisonous gases, sour bile and undigested, fermenting food not properly carried off.

Most of our ills are caused by constipated bowels. We all need a laxative sometimes; nobody can doubt that. The only question is, which one is the best? and that isn't a question any more. Syrup of Figs, being composed entirely of luscious figs, senna and aromatics, must act in a harmless, gentle and natural way. Syrup of Figs can be constantly used without injury. Its action is the action of fruit—of eating coarse food—of taking exercise. It is a true and effective liver and bowel cleanser and regulator.

Most folks dread physic—they shrink from the taste and after effects. Syrup of Figs is delicious, and, besides, you don't realize you have taken anything until morning, when all the clogged up waste of the system is gently but thoroughly moved on and out of the bowels without griping or weakness.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna." This is the old reliable and only genuine. Refuse, with contempt, any other Fig Syrup recommended as good. They are imitations meant to deceive you. Read the label carefully and look for the name California Fig Syrup Company.—Advertisement.

ARE YOU RUN DOWN?

Awaken to the Danger and Aid the Weakened Kidneys.

Kidney sickness often runs you down to the verge of collapse before you know the cause. When you seem unable to pin your mind to any task, your back aches and you cannot do an ordinary day's work, it is time to ask yourself this question: "Are my kidneys working right?" The aswer may be easily found.

Weak kidneys slacken their filtering work and the uric acid circulates with the blood, in many cases, attacking brain, nerves, muscles and vital organs. Don't wait for the serious trouble—begin using Doan's Kidney Pills when you feel the first backache or first notice urinary disorders. This remedy has given new life and strength to thousands.

Proof of merit in a Maryville citizen's statement.

Mrs. Martha Partridge, 601 East Fourth street, Maryville, Mo., says: "Some years ago I suffered from kidney and bladder complaint and I was all run down. I used Doan's Kidney Pills and they gave me relief. I can't recommend them too highly."

TURKEY HAS HAD ENOUGH

Bulgarian Victory Has Probably Ended Balkan War.

INTERVENTION TO BRING PEACE

Only Two Weeks Since Ottoman Government Declared War—Constantinople at Enemy's Mercy—Division of Spoils.

London, Nov. 1.—The decisive victory of the Bulgarians in Thrace probably has ended the Balkan war. A council sitting at Constantinople is now discussing the advisability of suing for peace. The capital is at the mercy of the enemy.

Nazim Pasha, the Turkish minister of war and commander-in-chief in Thrace, either has been shot or taken prisoner, according to a dispatch from Sofia.

The skillful strategy of General Savoff of Bulgaria figured largely in the abrupt end of the war. A great Turkish army, estimated at more than 200,000 men, is in retreat.

Started Two Weeks Ago.

It is only a fortnight since Turkey declared war. The first week of the campaign closed with the dramatic fall of Kirk-Kilisseh, fully revealing for the first time the disorganization, bad morale and inefficient commissariat of the Turkish army. Now that army is defeated, routed within 50 miles of Constantinople.

Only the briefest and vaguest accounts of the great battle have yet been received, for the war has been especially remarkable in that not a single war correspondent has been allowed at the front except in the case of the little Montenegrin campaign against Scutari.

Thus no independent personal narrative of the absorbing events have been possible and the world has had to depend on biased official accounts provided by the respective governments, or confused details supplied by wounded soldiers.

Powers Protect Foreigners.

Adrianople still holds out, but has lost its importance now that the Turks have met their Sedan at Lule Burgas.

It is believed a peace settlement will be arranged either by the Porte suing for peace or through intervention of the powers, and an interesting question involving difficult diplomatic problems will immediately arise as to the division of the spoils of war—a question concerning not only the victorious allies, but also Russia, Austria, Rumania and possibly other powers.

The powers, fearing disorders and massacres in Turkey, are hurrying warships to the various ports of that country to protect foreign residents.

A noticeable feature of the war is the insignificant parts played by the Turkish and Greek fleets.

TEXAS JUDGE HELPED OROZCO

Attempt of Mexican Government to Hold Aged Revolutionist Without Trial Fails.

El Paso, Tex., Nov. 1.—An attempt by the Mexican government to hold Col. Pascual Orozco, Sr., in jail 40 days more without trial was frustrated by Judge A. M. Walthal of an El Paso district court. Orozco already had served 40 days in the El Paso jail and was freed.

Given his liberty from the federal court, the aged revolutionist was rearrested by state rangers on another extradition charge. Orozco's attorneys obtained the second and final release by habeas corpus.

PUT A PRICE ON WHITMAN'S HEAD

Assassination of New York Prosecutor Planned and Men Selected.

COMPLETE DETAILS ARE KNOWN

Letter From Old Time Crook Startles Friends of District Attorney Who Secured Conviction of Becker.

New York, Nov. 1.—Friends of District Attorney Whitman have just learned that a price of $1,000 has been put on the head of the prosecutor who dared to expose the New York police department and bring to justice Lieut. Becker and the underworld characters who murdered Herman Rosenthal.

Four assassins have been employed in a distant city, not designated for obvious reasons, to come here and kill Mr. Whitman. So complete are the arrangements that the train upon which the hired murderers are scheduled to arrive is known.

It is also known that a hiding place in a Christie street house in the heart of the East Side has been secured as temporary shelter for gunmen who are to undertake the dastardly murder plot.

All Plans Completed.

The plan of murder seemingly has been arranged with a thoroughness that taxes the credulity of the most vivid imagination. But the friends of District Attorney Whitman who have undertaken to surround him with every precaution against bodily harm point out that such a murder plot is not half so unbelievable as the conspiracy against law and order which the conviction of Becker proved true.

News of the plot came out through friends of Mr. Whitman who have taken steps to frustrate it. The details were contained in a letter just received at the Whitman home.

The writer was an old crook who signed the name by which he is known in the underworld from New York to San Francisco.

Whitman Not Afraid.

When asked about the plot Mr. Whitman said:

"Oh, yes I have received hundreds of letters threatening my life since this investigation was started and I suppose everybody else connected with the investigation has had the same experience. It is not a matter that a public prosecutor likes to discuss in the newspapers. I would pay absolutely no attention to it if it was not for my family."

In spite of the unwillingness of the district attorney to consent to the protection of a bodyguard, his friends have undertaken to have private detectives watch all trains arriving on the day the suspected assassins are expected to arrive. A fairly good description of each of the four has been obtained and they will be arrested on sight.

AMERICAN TEACHERS IN BERLIN

Emperor William Hears Opening Lectures of Session by Exchange Professors.

Berlin, Nov. 1.—The American Exchange professors, opening lectures of the session at the Berlin University were very warmly received by a brilliant audience, including the emperor and empress.

Prof. William M. Sloane of Columbia, the Roosevelt professor, spoke on "American Political Parties," and Prof. Charles S. Minot of Harvard, on the "Development of Modern Research in Anatomy and Biology."

Empefor William at the conclusion of the address conversed for half an hour with the professors and their wives.

Spanked Cole Younger.

Fulton, Mo., Nov. 1.—T. Allen Russell, dean of pedagogical profession in Callaway county, celebrated his eighty-second birthday anniversary by giving a dinner to his octogenerian friends. Mayor Richard H. Fowler presided and short after dinner speeches were made. Professor Russell taught in a number of Missouri counties in the early days, and was the only man who ever whipped Cole Younger, the chastisement being administered when Younger was his pupil.

Fulton May Get Brick Plant.

Fulton, Mo., Nov. 1.—The Chicago Fire Brick company has decided to locate a new half million dollar fire brick plant in Fulton, employing six hundred men and with a weekly pay roll of $7,500, if the citizens subscribe a bonus of $10,000. The proposition will be taken up at once by the commercial club. W. J. Gilbert, president of the Chicago concern, made a trip to Fulton recently and pronounced the fire clay deposits high grade.

Who Will Succeed Sherman?

New York, Nov. 1.—At National Republican headquarters members of the inner circles said that Vice-president Sherman's successor on the ticket undobtedly would be a man of "progressive tendencies." The following three names were mentioned: Governor Hadley of Missouri, Senator Borah of Idaho, Senator Cummins of Iowa.

PAPE'S DIAPEPSIN REGULATES STOMACH.

Time It! In Five Minutes Gas, Sourness and Indigestion Are Gone.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug stire. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—Advertisement.

HALLOWE'EN PARTY POSTPONED TO FRIDAY MORNING.

A MARSHMALLOW ROAST

A Bonfire, a Gymnasium Exhibition and Various Other Interesting Features on Program.

The Hallowe'en party which was to have been given at the Normal Thursday evening was postponed until Friday morning on account of the condition of the weather. However, the postponement in no way lessened the interest of the stunts, which were opened up at 10 o'clock with a circus and closed shortly before noon with a big bonfire and marshmallow roast on the campus north of the building.

Probably the most interesting part of the program was an exhibition by the men's gymnasium class.

Prof. L. M. Eek drilled the men, and the professor, as well as the men, deserve a lot of credit for their excellent showing.

John McDougal and "Casey" Jones, who did the "Hiran and Mandy" stunt of the big circuses, certainly made a big hit.

School was dismissed at noon for the rest of the day on account of the heating plant being disabled.

THE PARCELS POST

POSTMASTER BEECH GETS NOTICE FROM DEPARTMENT.

WILL BE EFFECTIVE JAN. 1

A Map Showing Zones Will Be Furnished and Full Instructions Will Come Later.

Postmaster S. R. Beech today received formal notice from the postoffice department that the parcels post law will be effective January 1, next, and was directed to make preparation toward installing the system here. A map is to be furnished each postmaster, which will indicate the units of area adjacent to their offices and will show the eight postal zones, to indicate the rates upon parcels. New scales will be provided as will be tape lines for measuring packages offered for mailing. Stamps for especial use in mailing parcels will be furnished.

The attention of the postmaster is called to the following regulations: Distinctive parcels post stamps must be used on all fourth-class mail matter after the parcels post law goes into effect, and matter not bearing these stamps will be "held for postage;" parcels must be mailable only at postoffice, branch offices, lettered or local numbered stations, and such other stations as may be designated by the postmaster. All parcels must bear the return card of the sender, otherwise they will not be accepted.

"This is the first formal notice of the parcels post we have had," said Mr. Beech, "and it probably will be followed up with detailed instructions, such as making necessary changes about the postoffice and the like. While the changes are not expected to be extensive, the department desires that everything be in readiness before January 1, so that no hitch may occur when the law goes into effect."

READ THIS CAREFULLY SO YOU WILL BE SURE TO VOTE RIGHT

You must vote on one ballot for candidates for office.

Another ballot will be used for amendments to the state constitution.

Six ballots containing the names of the candidates of the six parties and one containing the amendments to the state constitution will be handed to each voter.

If you desire to vote against any candidate on your party ticket draw a line horizontally through his name and insert the name of the candidate on the rival ticket you desire to vote for.

If you want to vote for Wilson and the Republican state and county tickets either use a Democratic ballot and write in the names of all the state and county candidates you desire tovote for, or take a Republican ballot and write in the names of the eighteen electors in the order in which they appear on the Democratic ballot. In any event, be sure to use only one ballot.

Under no circumstances will the judges accept part of one ballot from one party and the other part from another party on two ballots; neither will a voter be permitted to tear off part of one ballot and paste it onto another.

ONLY A DAY OR TWO MORE.

To Get Your Campaign Contribution in and Help the Great Cause.

Mayor A. S. Robey adds a fiver to the Wilson campaign fund today, and thus the great cause moves forward. In the two or three days left let everybody drop in something and show his willingness to help the people to rule.

In this campaign the issues lie between the forces of representative government and popular government.

In representative government only a part of the people have influence—those with no political faith, who spend fortunes in any direction where their own ends are furthered for money.

In popular government all the people have influence, because their executives and legislators do not dare to thwart the expressed will of the people.

Representative government, as ever, this year is being supported by the money of Wall street. It is being spent lavishly to give the voters a wrong impression of Wilson.

Wilson stands for popular government. Let's all pull together for the rule of the people and end the rule of the trusts. Who will be the next to send us something?

TO BE FREE TO EVERYBODY

If You Want to Be Informed Join the Crowd and Visit Democrat-Forum Headquarters.

Arrangements are being made by The Democrat-Forum for the best and most complete election returns ever received in this city, on Tuesday night. The returns will be from the county, state and nation. The Western Union telegraph service will be used for the national and state returns, while for the county the telephones will be used.

This paper has secured the circuit court room for that evening, and the bulletins will be kept up to the minute there. There will also be a large blackboard in that room with the names of the candidates, and as the precinct vote is given from the county it will be put on the blackboard so all can see it. The bulletins will be read off and will also be kept on file so the late comers may see all that may be received.

An invitation is extended to everyone interested in the approaching election to attend and watch the returns. The court room has many seats and will be able to accommodate a large crowd. The heat will also be turned on if it is a cold evening.

Wilfley, S. H. Kemp, W. W. Jones and Ben Chandler.

TO HAVE CLEARER WATER.

Hydrants Have Been Flushed and Water Being Treated so It Will Change in Few Days.

G. B. Roseberry, manager of the water company, said Friday that the water will change and will be clearer. The hydrants have been flushed and the water is now being treated. The water might be a little yellow for a time, but it will change to a clearer color, stated Mr. Roseberry.

The muddy water is due to the river being muddy, and then Mr. Roseberry says that the treatment was not working, as a little pump got out of order. The pump is now fixed.

The funeral services for the late C. Conrad, whose body was brought here from Holdenville, Okla., by his son, F. C. Mrs. Custer's Hallowe'en.

Mrs. George Custer issued invitations for a Hallowe'en party at her home, at 210 South Mulberry street, but she was hardly prepared to receive the strange looking company that came in response, and it came very near being necessary for them to furnish credentials to gain admittance to the party, because it did not at first seem that the funny spirits were out for their annual frolic, for they had every appearance of evil spirits on evil errand bent. A delightful evening was spent in singing songs, music by the Gaugh orchestra and several piano numbers by Mrs. Eugenie Schenck. The hostess served cider, apples, pears, cake and nuts. Mr. and Mrs. Milligan were awarded a prize on general principles. The other guests were Mrs. Eunice Graves, Mrs. Amanda Lewis, Mrs. Eugenie Schenck, Mrs. I. W. Nixon, Mrs. Cooper Gooden, Mrs. J. H. Mrs. Roy Wolfers' Party.

The Hopkins P. E. O. chapter was the guest of Mrs. Roy Wolfers of Pickering at a Hallowe'en party Thursday afternoon. Mrs. Wolfers was assisted in entertaining and serving her guests by four Hopkins ladies, Mrs. Charles Donlin, Mrs. Fred Monroe, Mrs. Arthur McMaster and Mrs. H. J. Lindsay. The parlors of the handsome Wolfers home had been beautified by the use of autumn leaves and berries. One new member was initiated, Mrs. Fred Wooldridge of Hopkins, and a miscellaneous shower was given Mrs. Mary Martin Downer, the most recent bride in the chapter. The guests came from Hopkins in cars, arriving at 2 o'clock, and returned home on the 9 o'clock Burlington train. After the chapter work was over a delightful program of music was given by Miss Lou Hughes, Mrs. Roy Wolfers and Mrs. Arthur McMaster. The hostess then invited the company to the attic, where the shower for the bride took place. The attic had been in the hands of the wood witches and was a charming sight, jack-o'lanterns making the only light. The shower was presented by a witch and a ghost, and consisted of pieces of cut glass, china, linen and other beautiful things that delighted the recipient. At 6 oclock an elaborate Hallowe'en luncheon in two courses was served. The guests aside from the members of the P. E. O. chapter were Mrs. Howard Wray and Miss Mary Wolfers of Pickering, Mrs. Mary Wray, Messrs. Arthur McMaster, E. C. Wolfers, Fred Monroe and "Deason" Moorehouse of the Hopkins Journal.

CLEANSE YOUR LIVER AND BOWELS WITH DELICIOUS "SYRUP OF FIGS"

REMOVES THE SOUR BILE, GASES AND CLOGGED-UP WASTE WITHOUT GRIPE OR NAUSEA—NO HEADACHE, INDIGESTION, CONSTIPATION, BILIOUSNESS OR COATED TONGUE.

Foul breath, coated tongue, dull, throbbing headache, stomach sour and full of gases, indigestion, biliousness and a sallow complexion, mean that your thirty feet of bowels are clogged with waste matter; that these drainage organs of the body are obstructed; liver stagnant and stomach full of poisonous gases, sour bile and undigested, fermenting food not properly carried off.

Most of our ills are caused by constipated bowels. We all need a laxative sometimes; nobody can doubt that. The only question is, which one is the best? and that isn't a question any more. Syrup of Figs, being composed entirely of luscious figs, senna and aromatics, must act in a harmless, gentle and natural way. Syrup of Figs can be constantly used without injury. Its action is the action of fruit—of eating coarse food—of taking exercise. It is a true and effective liver and bowel cleanser and regulator.

Most folks dread physic—they shrink from the taste and after effects. Syrup of Figs is delicious, and, besides, you don't realize you have taken anything until morning, when all the clogged up waste of the system is gently but thoroughly moved on and out of the bowels without griping or weakness.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna." This is the old reliable and only genuine. Refuse, with contempt, any other Fig Syrup recommended as good. They are imitations meant to deceive you. Read the label carefully and look for the name California Fig Syrup Company.—Advertisement.

ARE YOU RUN DOWN?

Awaken to the Danger and Aid the Weakened Kidneys.

Kidney sickness often runs you down to the verge of collapse before you know the cause. When you seem unable to pin your mind to any task, your back aches and you cannot do an ordinary day's work, it is time to ask yourself this question: "Are my kidneys working right?" The aswer may be easily found.

Weak kidneys slacken their filtering work and the uric acid circulates with the blood, in many cases, attacking brain, nerves, muscles and vital organs. Don't wait for the serious trouble—begin using Doan's Kidney Pills when you feel the first backache or first notice urinary disorders. This remedy has given new life and strength to thousands.

Proof of merit in a Maryville citizen's statement.

Mrs. Martha Partridge, 601 East Fourth street, Maryville, Mo., says: "Some years ago I suffered from kidney and bladder complaint and I was all run down. I used Doan's Kidney Pills and they gave me relief. I can't recommend them too highly."

TURKEY HAS HAD ENOUGH

Bulgarian Victory Has Probably Ended Balkan War.

INTERVENTION TO BRING PEACE

Only Two Weeks Since Ottoman Government Declared War—Constantinople at Enemy's Mercy—Division of Spoils.

London, Nov. 1.—The decisive victory of the Bulgarians in Thrace probably has ended the Balkan war. A council sitting at Constantinople is now discussing the advisability of suing for peace. The capital is at the mercy of the enemy.

Nazim Pasha, the Turkish minister of war and commander-in-chief in Thrace, either has been shot or taken prisoner, according to a dispatch from Sofia.

The skillful strategy of General Savoff of Bulgaria figured largely in the abrupt end of the war. A great Turkish army, estimated at more than 200,000 men, is in retreat.

Started Two Weeks Ago.

It is only a fortnight since Turkey declared war. The first week of the campaign closed with the dramatic fall of Kirk-Kilisseh, fully revealing for the first time the disorganization, bad morale and inefficient commissariat of the Turkish army. Now that army is defeated, routed within 50 miles of Constantinople.

Only the briefest and vaguest accounts of the great battle have yet been received, for the war has been especially remarkable in that not a single war correspondent has been allowed at the front except in the case of the little Montenegrin campaign against Scutari.

Thus no independent personal narrative of the absorbing events have been possible and the world has had to depend on biased official accounts provided by the respective governments, or confused details supplied by wounded soldiers.

Powers Protect Foreigners.

Adrianople still holds out, but has lost its importance now that the Turks have met their Sedan at Lule Burgas.

It is believed a peace settlement will be arranged either by the Porte suing for peace or through intervention of the powers, and an interesting question involving difficult diplomatic problems will immediately arise as to the division of the spoils of war—a question concerning not only the victorious allies, but also Russia, Austria, Rumania and possibly other powers.

The powers, fearing disorders and massacres in Turkey, are hurrying warships to the various ports of that country to protect foreign residents.

A noticeable feature of the war is the insignificant parts played by the Turkish and Greek fleets.

TEXAS JUDGE HELPED OROZCO

Attempt of Mexican Government to Hold Aged Revolutionist Without Trial Fails.

El Paso, Tex., Nov. 1.—An attempt by the Mexican government to hold Col. Pascual Orozco, Sr., in jail 40 days more without trial was frustrated by Judge A. M. Walthal of an El Paso district court. Orozco already had served 40 days in the El Paso jail and was freed.

Given his liberty from the federal court, the aged revolutionist was rearrested by state rangers on another extradition charge. Orozco's attorneys obtained the second and final release by habeas corpus.

PUT A PRICE ON WHITMAN'S HEAD

Assassination of New York Prosecutor Planned and Men Selected.

COMPLETE DETAILS ARE KNOWN

Letter From Old Time Crook Startles Friends of District Attorney Who Secured Conviction of Becker.

New York, Nov. 1.—Friends of District Attorney Whitman have just learned that a price of $1,000 has been put on the head of the prosecutor who dared to expose the New York police department and bring to justice Lieut. Becker and the underworld characters who murdered Herman Rosenthal.

Four assassins have been employed in a distant city, not designated for obvious reasons, to come here and kill Mr. Whitman. So complete are the arrangements that the train upon which the hired murderers are scheduled to arrive is known.

It is also known that a hiding place in a Christie street house in the heart of the East Side has been secured as temporary shelter for gunmen who are to undertake the dastardly murder act.

All Plans Completed.

The plan of murder, seemingly has been arranged with a thoroughness that taxes the credulity of the most vivid imagination. But the friends of District Attorney Whitman who have undertaken to surround him with every precaution against bodily harm point out that such a murder plot is not half so unbelievable as the conspiracy against law and order which the conviction of Becker proved true.

News of the plot came out through friends of Mr. Whitman who have taken steps to frustrate it. The details were contained in a letter just received at the Whitman home.

The writer was an old crook who signed the name by which he is known in the underworld from New York to San Francisco.

Whitman Not Afraid.

When asked about the plot Mr. Whitman said:

"Oh, yes I have received hundreds of letters threatening my life since this investigation was started and I suppose everybody else connected with the investigation has had the same experience. It is not a matter that a public prosecutor likes to discuss in the newspapers. I would pay absolutely no attention to it if it was not for my family."

In spite of the unwillingness of the district attorney to consent to the protection of a bodyguard, his friends have undertaken to have private detectives watch all trains arriving on the day the suspected assassins are expected to arrive. A fairly good description of each of the four has been obtained and they will be arrested on sight.

AMERICAN TEACHERS IN BERLIN

Emperor William Hears Opening Lectures of Session by Exchange Professors.

Berlin, Nov. 1.—The American Exchange professors, opening lectures of the session at the Berlin University were very warmly received by a brilliant audience, including the emperor and empress.

Prof. William M. Sloane of Columbia, the Roosevelt professor, spoke on "American Political Parties," and Prof. Charles S. Minot of Harvard, on the "Development of Modern Research in Anatomy and Biology."

Empefor William at the conclusion of the address conversed for half an hour with the professors and their wives.

Spanked Cole Younger.

Fulton, Mo., Nov. 1.—T. Allen Russell, dean of pedagogical profession in Callaway county, celebrated his eighty-second birthday anniversary by giving a dinner to his octogenerian friends. Mayor Richard H. Fowler presided and short after dinner speeches were made. Professor Russell taught in a number of Missouri counties in the early days, and was the only man who ever whipped Cole Younger, the chastisement being administered when Younger was his pupil.

Fulton May Get Brick Plant.

Fulton, Mo., Nov. 1.—The Chicago Fire Brick company has decided to locate a new half million dollar fire brick plant in Fulton, employing six hundred men and with a weekly pay roll of $7,500, if the citizens subscribe a bonus of $10,000. The proposition will be taken up at once by the commercial club. W. J. Gilbert, president of the Chicago concern, made a trip to Fulton recently and pronounced the fire clay deposits high grade.

Who Will Succeed Sherman?

New York, Nov. 1.—At National Republican headquarters members of the inner circles said that Vice-president Sherman's successor on the ticket undobtedly would be a man of "progressive tendencies." The following three names were mentioned: Governor Hadley of Missouri, Senator Borah of Idaho, Senator Cummins of Iowa.

PAPE'S DIAPEPSIN REGULATES STOMACH.

Time It! In Five Minutes Gas, Sourness and Indigestion Are Gone.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug stire. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—Advertisement.

A NATIONAL REGRET.

Citizens of the United States will join in universal regret at the death of Vice President James S. Sherman. Mr. Sherman was a man of such pleasing personality that he commanded the warm friendship and respect of all with whom he became associated. He was congenial, companionable and of an optimistic turn of mind that won for him the title of "Sunny Jim," and by this he was generally known.

He was a Republican of the old school and an intense partisan, but his personality was very charming. He loved sports and especially base ball, and rarely missed a league game in Washington. He was a man of large ability and was master of the parliamentary situation in the senate, over which he presided. He was quick to think and quick to act, and, under the unanimous consent rule in that body, he dispatched business with lightning-like rapidity, and his clear, strong, musical voice was a delight to the gallery spectators, men and women frequently visiting the galleries just to watch "Sunny Jim" in action.

His death leaves the United States without a vice president and the Republican party without a candidate for that office. A candidate will be selected by the national committee of that party, but owing to the fact that the laws of this country do not provide for any succession to the vice presidency, there will be no vice president until another is elected. In case of vacancy the president pro tem of the senate fills his place in that body, but since no party has had a majority in the senate during the present congress, the senate has so far been unable to elect a regular president pro tem, and when the necessity arose, has agreed from time to time upon some one to act temporarily.

The death toll has been heavy upon this congress in both branches. Only last week Senator Hepburn of Idaho, another leading standpatter, passed to his final reward. It is possible that a Democrat may be appointed to succeed him, and the Republican majority, which includes the Progressives, will be almost wiped out. The house and senate have been in almost constant session for the past three years, and the strain among the hard workers has been too heavy for several of them.

News of Society and Womens' Clubs

For Mr. and Mrs. Buck.

Miss May Corwin entertained a dozen guests informally Friday night, after all had attended the Empire theater, as a courtesy to Mr. and Mrs. Roy Buck of Loveland, Col., who are visiting in the city.

Here for the Golden Wedding.

Several relatives from a distance arrived in Maryville Saturday morning for the golden wedding celebration of Mr. and Mrs. John W. Coleman of East First street, which is in progress Saturday afternoon.

Planned for Dinner.

About twenty of the members of the Ladies' Aid society of the M. E. church, South, met at the home of Mrs. Solon Clark Friday, November 1, and spent a very pleasant afternoon, finishing their plans for the dinner and supper they will serve November 5. The hostess served a two-course luncheon.

Hallowe'en Party.

Miss Beatrice Growney gave a mask Hallowe'en party at her home Thursday evening, Miss Helen Rowley winning the prize for the best costume. The house was decorated in autumn leaves and jack-o'lanterns. Games and ghost stories were the pastimes before luncheon. The guests were Helen Rowley, Marie Cook, Mary Tobin, Helen Tobin, Veronica O'Grady, Mary Costello, Marguerite Cummins, Mary Brady, Heffern and Grace Parle.

Met With Mrs. Wiles.

Mrs. Walter Wiles entertained the Woman's Missionary society of the First Baptist church at her home Friday afternoon, and there was a good attendance of the membership. Mrs. J. M. Ringgold, the vice president, presided. "Education" was the subject for the afternoon, the work of four Baptist colleges of Missouri for women being especially considered. Mrs. H. L. Raines read an interesting paper on her alma mater, Hardin college of Mexico; Mrs. E. L. Andrews a paper on Stephens college at Columbia, and Mrs. S. A. Helwig read of the Baptist Women's college at Lexington. Roll call was responded to by facts concerning other educational institutions of the denomination.

Mrs. Staples Entertained.

Mrs. W. J. Staples entertained her Sunday school class in the First Presbyterian church Sunday school at her home Friday evening. She was assisted in entertaining by Miss Margaret Lee Winston. A Guessing game that brought out the names of many modern inventions was humorous and instructive, while the weaving of a store of romance from the names of popular magazines proved a charming pastime. Nuts and mints were served during the games, and hot chocolate and wafers later in the evening. The six members of the class present were Miss Blanche Thompson, Miss Wood, Miss Helen Dixon, Miss Ruth Beggs, Miss Juanita Judy and Miss Esther Faris.

Discussed Amendments.

The Dew Drop Inn club met at the home of Mrs. John Sprague Wednesday afternoon. Each member responded to roll call with a quotation. Then followed a discussion of the nine amendments to be voted on at the election, November 5. The single tax proposition met with a decided veto by everyone present. After the business session a delicious luncheon was served by the hostess, assisted by Mrs. Ben Yeager. Those present were Mrs. Harry Farrar, Mrs. Oliver Jones, Mrs. Albert Orme, Mrs. Ben Yeager, Mrs. Claud Moore, Mrs. Fletcher Dalby, Mrs. Elmer Baker and the hostess. It was a delightful meeting, enjoyed by all. The next meeting will be in two weeks at the home of Mrs. Sam Yeager.

Masque Party for Band.

Miss Alma Nash, director of the Missouri Ladies' Military band, gave a Hallowe'en party Friday night for the members of the band and their friends. The stairway to the studio was lighted by jack-o'lanterns, and two ghosts received the guests in the hall upstairs, which was also lighted by jack-o'lanterns. Several games were played and music given by the guests, and a real witch told their fortunes by her camp fire in the woods, before unmasking time came, which was at 10 o'clock. More games and lots of fun followed and refreshments of cider, pumpkin pie and doughnuts were served. The guests included Misses Lula Jones, Esther Eversole, Hazel Vandervoort, Elizabeth Nash, Hazel Garrett, Marcia Cutler, Ora Quinn, Myrtle Lanning, Velma Lanning, Lela Caudle, Margaret Conway, Mary O'Brien, Grace O'Brien, Mrs. Mae Denny, Ethel Muse, Orlena Helply, Gladys Bradley, Mr. and Mrs. M. Nusbaum, Mrs. Matt O'Brien and her guests, Mrs. Maggie Burnett and Maxine Elliott Burnett of Kansas City; Messrs. Phillip Parcher, Dr. Cline, C. E. Holt, Orlo Quinn, James Felix, Dan O'Connell, Ray Cook, Cecil Sheldon, Rudolph Staples of Burlington Junction, Will O'Brien.

Entertained Sunday School Class.

Mr. and Mrs. G. W. Demott delightfully entertained the members of Mr. Demott's class in the First Presbyterian church Sunday school at their home, on South Fillmore street, Friday evening. The guests were received by the host and hostess and ushered upstairs by their son, John Allen Demott, to remove their wraps. It had been announced to the members that they would be expected to relate a short humorous story or have a fine imposed on them, and every one seemed to feel better satisfied in relating their story than paying a fine. An exciting game of bean bag was engaged in, the ladies and gentlemen taking opposite sides, the losing side to have the pleasure of entertaining the class in the near future. After a hard fought battle the men won the contest. Refreshments were served by the hostess, and this part of the entertainment was thoroughly enjoyed by everyone. Instrumental music was given by Mr. L. O. Goble on his tuba, with Mrs. Goble accompanying on the piano.

The Misses Snyder, Hostesses.

A delightful Hallowe'en party was given Thursday night at the home of Mr. and Mrs. Charles Henderson of Barnard, when Misses Mary and Ruth Snyder entertained about fifty of their friends. When the guests arrived they were met at the gate by two witches, who gave them the magic cord that led the way to the house and to a ladder, where another witch directed them to climb to the attic window. On entering the attic still another witch met them and led the way downstairs, where a ghost met them and solemnly and silently preceded them to the parlors. Many games were played during the evening and Hallowe'en pranks played, when a luncheon of cider, pumpkin pies and ginger bread was served. The guests were Miss Bertha and Rebecca Miller, Maud and Dorothy Strader, Fan, Ruth and Helen Merrill, Lavona and Mabel Cook, Cora Sell, Bertha Blagg, Blanche Holliday, Gracie Goforth, Jessie Goforth, Blanche Stalling, Ruby Key, Nora Hale, Azela and Hazel DeWitt, Virdah Daniel and her guest, Miss Ethel Neff of California; Messrs. Charles Badger, Joe Miller, Dale and Roy Hainey, Orley Strader, Harry Cook, Elmer Sell, Homer Stall-Hammon, Glen Mahaffey, Mrs. Tina ing, Walter and Elba Hagen, Dale Whitehurst, Dean Humber, Merrill Cliser and daughter, Reba and Annavada Cliser, Mrs. F. H. Badger and Janice Badger.

Observed Hallowe'en.

The L. I. club entertained their families Thursday evening with a hunting party at the home of Mrs. C. Pope. The decorations in the parlor and dining room were appropriate for the occasion. A forty-minute program was then rendered, followed by a memory contest. The room where the hunting took place was lighted with candles and pumpkins, and with autumn decorations. Black cats and witches were stationed everywhere. Each husband was presented a minute bayonet and entered ready for the hunt. A prize to be given to the one bagging the most game, each scoring a certain number of points. The prize was awarded to Rufus Ringgold, who received a china painting in the club colors, lavender and white, with "Love the Giver" inscribed in gold. Earl Anderson received the consolation prize, a rabbit. They were directed to hunt their suppers, hunt their places at the table, by place cards. They at once made a rush to the kitchen, where prospects would likely be best, and from various places were brought out plates containing hot chicken pie and doughnuts, then proceeded to hunt their places at the table, where coffee and pickles were waiting. Each one in turn responded to a toast concerning witchcraft. The remainder of the evening was spent with games and piano selections. Those present were Mr. and Mrs. S. F. Massie and family, Mr. and Mrs. Earl Dowling and family, Mr. and Mrs. Sam Florea and family, Mr. and Mrs. L. Gillispie and family, Mr. and Mrs. Clarence Pope and family, Mr. and Mrs. Rufus Ringgold and family, Mr. and Mrs. Vern Fakes, Miss Jennie Ringgold, Earl and Floyd Pope, Ralph and Earl Anderson, Albert Watson and Irvin Chambers.

Miss Louise Williams went to Kansas City Friday evening to visit with friends until Sunday evening.

antee a high school education to every boy and girl, rich and poor alike, in the state of Missouri.

It will provide for schools not equipped with departments of manual training, domestic science and agriculture, better libraries, modern heating plants, better buildings, better equipment of every kind. It will secure a good eight months' school for every district in the state, whereas there are now many districts so poor that they cannot maintain an eight months' school and pay the teacher $30 per month. This amendment will make possible good rural consolidated schools, so that every boy and girl in the state can get a good high school education and remain at home.

It will secure good roads, good country homes and good country churches by building up rural communities, and it will greatly increase the farm products and go far toward meeting the increasing demand for food supplies.

It will turn $1,000,000 back into the treasury now given to the university and normal schools and Lincoln Institute, and this amount can be used to build good roads, to take better care of our charitable institutions or the rate of taxation can be lowered. It will give the public schools $580,000 annually more than they are getting now and make possible the improvements named above. It will enhance the value of land and greatly improve rural conditions.

It will raise Missouri from the humiliating place of thirtieth among the states in what she spends for the education of her children, while Nebraska, with only one-half our wealth, stands eighth in the list. Vote "yes" by scratching "no" on amendments 1 and 9.

Let Nodaway do her full duty when people are looking to us to give amendments 1 and 9 a big majority.

Let us make it unanimous.

I shall vote "yes" by scratching "no" on all but the sixth and seventh amendments, and on these I shall vote "no" by scratching "yes." I hope you will do the same.

Yours for progress, I am,

Very truly,

Heirlooms

Does your grandmother, mother, or do you yourself possess some old style jewelry that has been in your family for years, put away and never being worn? If so, do you know that all of these old pieces are of value today, as styles have changed, and such articles as corals, cameos, wide band bracelets are all the rage?

Why not take out that old box and look through the long forgotten heirlooms, and have them cleaned up or changed a trifle, so they can be worn today and admired by your friends?

Our manufacturing department will give you an idea of what can be done with them, and how to alter them if necessary.

Don't delay bringing them in as you know styles are constantly changing, and you may just as well be up to date now.

We will be pleased to give you an estimate or sketch free of charge.

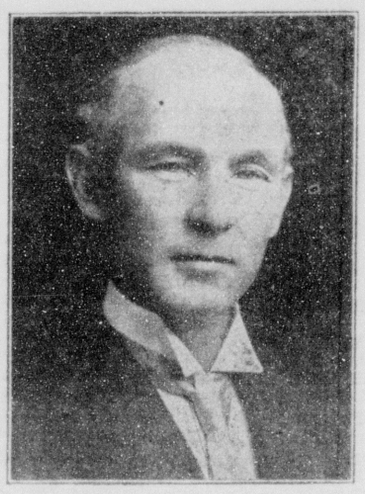
For Prosecuting Attorney

George Pat Wright, Pros. Atty.



M. E. Ford, Ass't Pros. Atty.

Vote for George Pat Wright and retain these two officials.

The office of prosecuting attorneyis an important one. It comes close to the welfare and happiness as well as to the protection of all the people. It is the only two-year office in the court house, all others being four years. If one has made a good record in that office for two years there is no reason why he should not be retained for the other two years, thereby giving the incumbent of that office the same terms as all other officers. Mr. George Pat Wright is now serving his first term and is a candidate for re-election. His administration has been clean, honest and decidedly successful. A conviction has been secured in every case contested in the circuit court but one, making a conviction of more than 90 per cent of the cases tried. There has been no fruitless, ill-advised litigation whatever, which results only in costs to the county. In fact not one cent of costs has been placed upon the county as the result of an acquittal on any information filed by Mr. Wright. During his term the county has had the advice, counsel and assistance of a competent lawyer, a careful advisor and a conscientious man in the person of Mr. Marshall E. Ford, without one cent of cost to the people. In the necessary absence of Mr. Wright the office is always left in charge of a competent man with full power in criminal affairs. This assistance the people did not have during his opponent's former administration, and it is intimated will not be furnished should Mr. Wright be defeated this time. This fact should especially appeal to the people. The important office of prosecuting attorney should not be locked in the necessary absence of that officer.

Mr. Wright's administration has been especially successful in the suppression of gambling especially at the county seat. Many old offenders have abandoned the city, and the mayor, under whom Mr. Wright's opponent is now acting as city attorney, is offering a standing reward for any evidence whatever leading to the discovery of gambling. Maryville is perhaps more free of gambling than at any time in years. The illicit liquor traffic has also had special attention, and many heavy fines and long jail sentences have been imposed. The work of Mr. Wright's administration has been very heavy, there having been one death penalty, fifteen penitentiary sentences and many misdemeanor convictions.

Complaint is made by his oppo-nent that the costs of grand juries under Mr. Wright's administration exceeds by a few dollars the costs of that arm of the court under his administration. This may be true, we do not know, but it is sufficient to say that it is also true that the prosecuting attorney is in no way whatever responsible for the costs incurred by that body. The subpoenaing of witnesses, the time it remains in session, and, in fact, its entire operation is strictly within its own control. No prosecuting attorney is or can be responsible for the costs of grand juries. In answer to this charge, compare the costs incurred by each administration in fruitless litigation resulting in acquittals on informations filed by Mr. Wright and his opponent.

The grand juries, however, under Mr. Wright's administration were not extravagant in view of the good accomplished.

If you desire to save the county costs if you want to avoid expensive litigation without results if you like to have a good assistant in that office without cost, if you desire efficient service in the discharge of the duties of that office, vote for George Pat Wright and retain him and Mr. Ford in that office.

Mr. Wright has made a clean campaign and at no time or place has he said or done anything that would reflect upon his opponent's administration or his official conduct. He is running strictly on his own merits.

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die.

At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well.

I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years.

Several of the boys came home Saturday from their school work so as to be able to vote next Tuesday. All of these young men will cats their first vote Tuesday.

ON AN EXTENDED TRIP.

Mr. and Mrs. Otis to Leave Tuesday for a Western Visit—History of Old Xenia.

Mr. and Mrs. Edward Otis of this city are to leave Tuesday for California, where they are to make an extended stay during this winter. They will go by the way of Oregon and Washington, and at Pendleton, Ore., they will visit their son and his wife, Mr. and Mrs. Roy Otis, and at Portland, Ore., they will visit their daughter, Mrs. J. L. Duffy. They will also stop at Spokane and Seattle, Wash., before going to Los Angeles, Cal.

Mr. Otis has been in the real estate business for the past eight years, having bought C. M. Davey's interest when he and B. C. Halley were partners together. Mr. Otis has lived in Nodaway county about fifty years, having located with his parents, Mr. and Mrs. Merrill Otis, at Old Xenia, when he was about 4 years old, and just at the close of the war.

Mr. Otis says Old Xenia at that time was a town of about 1,500 inhabitants.

The state militia was stationed there during the war period. Old Xenia is situated about twelve miles northeast of Maryville, between Hopkins and Pickering, and when the branch of the C., B. & Q. was built through here it missed Old Xenia by about two miles. The town was moved to Hopkins and Pickering. So all that remains of a once beautiful little city is the fine farms that surrounded it, and the school building that was named for the town.

Mr. and Mrs. Otis attended school together at the above mentioned school house.

They will return to Maryville about April 1, coming back by way of Texas. He will again enter the real estate and insurance office. Ed has lived in this city for the last sixteen years, with the exception of a few years when he was out on his farm, near Old Xenia.

High School Notes

Mr. W. Wright of the Wright Stock company, which played at the Empire theater this week, gave a short talk at assembly Tuesday morning. Instead of taking a reading from one of his plays, as he said was his custom when giving the privilege of appearing before a student body, Mr. Wright talked on "Gesture." He illustrated his talk by showing that only the proper gesture at the proper time could produce the desired effect, while a wrong gesture would have an altogether different interpretation. His talk was very instructive as well as interesting.

On account of the teachers' convention there will be no school Thursday and Friday.

The first two games of the basket ball tournament have been played. The first game was played Thursday afternoon, between the teams of Paul Wilson and Harold Staples, the former winning by a score of 17 to 3. The line up:

Wilson's team		Staples' team
Wilson	c	Condon
Losh	f	Staples
Robinson	f	Ford
Blagg	g	Fraser
Scott	g	Miller
Sawers	g	Brown

The second game was played Friday afternoon; Howard Leech's team and Jack Taylor's teams being the contestants. Taylor's team won by a score of 20 to 14. The teams were evenly matched as will be seen by the score, and the rooters were held in suspense until the whistle blew, ending the game, for at no stage did either team have a decided advantage. The line up:

Leech's team		
Leech	f	Taylor
Sawyer	f	Coler
Streater	g	Montgomery
McPherron	g	Gray
Foland	c	V. Lyle

Prof. Westbrook refereed both games.

On account of the Normal being closed Friday to allow the repair work on the heating plant to continue a number of students took advantage of the occasion by visiting the high school in the afternoon.

Flagged Train With Shirt.

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes. "My stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at the Orear-Henry Drug Co.—Advertisement.

LONESOME ABROAD

(Continued from Page 1)

who had done so much for the progress of the world in art, literature and science; but the thing that most impressed me was the Napoleonic period and the changes wrought in not only the history of France, but of all Europe, by that mighty military genius and statesman.

After returning to London from Paris I made a short run up into the country of my ancestors, Scotland. I visited some of the places made famous by that old wizard of the north, Sir Walter Scott, and in looking over the barren heaths and sensing an air of desolateness as it seemed to me all around I could not make of all this the "Bonnie Scotland" I had heard and read so much about. I have collected some interesting, to me, details of scenes and places seen in my wanderings about the "Seargirt Isle," and will give them to The Democrat-Forum from time to time if you think it worth while.

I shall perhaps remain in England until about the middle of October, when our present plan is to go on to Buenos Ayres, South America.

Respectfully,
J. B. DUNCAN.

SHERMAN'S BODY LAID TO REST

Public Funeral of Vice-President Followed Private Service at Home.

ATTENDED BY CABINET MEMBERS

Ceremonies Were Simple, But Very Solemn and Impressive—Body Placed in Beautiful Masoleum Recently Completed.

Utica, N. Y., Nov. 2.—The funeral services over the body of Vice-President James S. Sherman were held at the First Presbyterian church in this city at 2 o'clock this afternoon, following private services in the morning at the family home, at which none but relatives and close friends of the family were present. The public services were conducted jointly by Dr. Holden, pastor of Reformed Dutch church, of which Mr. Sherman was treasurer, and Dr. M. W. Stryker, president of Hamilton college, of which he was an alumnus.

President Taft, members of his cabinet and many senators and representatives were conspicuous among those in attendance.

The ceremonies, which were very simple but solemn began with appropriate music by a picked choir followed by prayer by Dr. Brokaw, pastor of the Presbyterian church. Both Dr. Holden and Dr. Stryker paid homage to the memory of the deceased statesman in their addresses which were remarkable for the strong feeling expressed and brought tears to the eyes of many of the sorrowing friends and relatives present.

After the addresses were finished the ceremonies at the church closed with prayer and the singing of an appropriate hymn by the choir, and the casket containing the lost mortal remains of the late Vice-President was reverently lifted and carried forth by the pallbearers who were chosen from among the employes of Utica Trust and Deposit Company of which Mr. Sherman was president. The funeral procession proceeded to Forest Hill cemetery where the body was placed in the beautiful Babcock mansoleum which was but recently completed and where Mr. Sherman's mother rests.

BOUND TO CRIPPLE LIGHT PLANT

Second Attempt Within Week to Plunge Yates Center in Darkness—Robbers Suspected.

Yatse Center, Kas., Nov. 2.—The men who siezed, bound and gagged James O'Donnell, engineer of the electric light plant, Monday night and turned off the city light with the evident intention of looting the town, returned again at night and attempted to seize the engineer.

The men were driven away by guards, and bloodhounds were used to trail them. The trail led to the railway yards, but ended there. The attacks on the light plant have become a town mystery, for which there seems to be no explanation. There could be no motive save robbery. The residents say there is no trouble of any kind either over the light plant or involving the city.

PUSHED FOOTPAD OFF A BRIDGE

Wichita Doctor Surprised Armed Hold-Up by Speeding Up His Motor Car.

Wichita, Kan., Nov. 2.—A footpad leaped in front of Dr. W. I. Mitchell's auto as it was crossing a bridge over the Arkansas river at a lonely spot at night. The robber leveled a gun at the physician, who instead of stopping his car put on full speed ahead.

The car struck the robber squarely, throwing him off the high bridge into the river below. Officers who went to the scene a half hour later found where the robber hit the river bed and had waded to the bank. His tracks disappeared in the brush.

Train Wrecked on Bridge.

Amoret, Mo., Nov. 2.—Passenger train No. 1 on the Kansas City Southern railroad, bound for Port Arthur, Texas, which left Kansas City at 1:45 p. m. was wrecked at 5:30 p. m. while crossing bridge B-73, midway between Amoret and Worland, Mo. The tender left the rails, causing the baggage car to be turned over. One man was slightly injured. The train still is there and a wrecking train is on the way.

Girl Coon Hunter Shot.

Lexington, Ky., Nov. 2.—Miss Mabel E. Dunn, 20 years old, daughter of W. E. Dunn, president of the Citizens' National bank of Noblesville, Ind., was shot and injured, probably fatally, while with a party of young persons coon hunting near Maysville, Ky. The party was passing through the farm of Best Galt and, believing they were Halloween marauders, he fired on them.

Oklahoma Postoffice Robbed.

Chickasha, Ok., Nov. 2.—The postoffice at Pocassett, a small town seven miles north of here, was robbed early in the morning and $55 taken. The robbers blew the safe with nitroglycerin and escaped without giving an alarm.

A Sick Man

S. B. Hartman, M. D.

Writes Dr. Hartman About Kidney Disease.

A gentleman writes me: "I was greatly interested in your article describing the Kauffman case of serious disease of the kidneys. The description of his case exactly outlines my condition. I am sure if Peruna cured him as you say, it would cure me also. I am losing flesh rapidly and the doctors say I have every symptom of Bright's disease of the kidneys. If you think I would be benefited by Peruna I will certainly try some as the doctors have practically given me up, the same as they did him."

In reply I wish to say, first, that I never make any promises as to what Peruna will cure. No physician can make positive statements of that sort. I can say this much, however, if I were in your place I should certainly give Peruna a trial. I know of no other remedy that would be so likely to be of use to you in your present condition as Peruna. Take a tablespoonful before each meal and at bedtime. Continue this for two or three weeks and then if there is anything you wish to ask me further write me and I will give your letter prompt attention.

If I find that the Peruna is not helping you I will be perfectly frank and tell you so, for I would not have you take Peruna unless it was really helping you. But it has rescued so many cases of kidney disease that I am quite confident you will find it exactly suited to your case.

Kidney disease begins with catarrh of the kidneys. Peruna is a catarrh remedy. Unless the destruction of the kidneys is already too great Peruna relieves the catarrh and the cause of the kidney disease is removed.

I await anxiously await a report of your case. Remember, all letters are sacredly confidential. I never use any one's name or address without his written consent. My correspondence is absolutely private. PERUNA IS FOR SALE AT ALL DRUG STORES.

SPECIAL NOTICE—Many persons are making inquiries for the old-time Peruna. To such would say, this formula is now put out under the name of KA-TAR-NO, manufactured by KA-TAR-NO Company, Columbus, Ohio. Write them and they will be pleased to send you a free booklet.
